

**LED Built In Light
514001-6 - Specification Sheet**

Product model:	514001-6
Main Application:	Commercial
Nominal Lifetime:	>30,000 Hrs
Source (LED Type):	Philips 1205 COB
Driver:	Philips certa 30W 0,7A driver
IP rate:	IP65
Cut/Size (mm):	170mm
Color temperature:	3000K/4000K
CRI:	>90
Rated beam angle:	30° 40°
System power:	30W+-5%
Input voltage:	220-240V
Frequenzy:	50/60Hz
Output voltage:	25-42V
Dimmable:	No
Output Current:	0.7A
Power factor:	>0.9
Energy saving:	Yes
Working Temperature:	T-Case Lifetime 85°C
CE Marking:	Yes

Key Features and Benefits

High quality of white light with Philips chips light source.
 With innovative photometrics, combines efficiency with visual comfort, to ensure flawless performance.
 Intergrated diecasting aluminum heatsink to ensure excellent thermal management.
 30000hrs lifespan three years warranty.

Philips chips

Experience bright and vivid colors
 Philips chips system allows to producing homogenous lighting performance and high-efficiency with bright and vivid colors

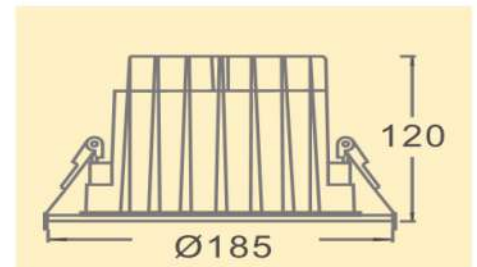

Philips Certa LED Driver

Affordable LED Driver range offering Philips reliability. The Certa range is compatible with COB and mid-power LEDs from any LED manufacturer.
